

SARK SOUL ISLAND RETREATS

Getting to Sark

The Pearl of the Channel Islands. An hour's flight from London, Paris and
Dublin. A world away from anywhere else.

YOGA & NATURE RETREATS · ISLE OF SARK

Closer than you think

Most guides repeat three facts about Sark: no cars, dramatic cliffs, and a dark night sky. All true, but they miss why the journey is half the pleasure. Sark can only be reached by boat, and the slow crossing puts you on island time before you even arrive.

THE CROSSING FROM GUERNSEY · 35 TO 55 MINUTES BY SEA

1 Fly to Guernsey

About an hour from Gatwick. Aurigny flies from most UK cities plus Paris and Dublin, and British Airways serves Heathrow. See airport.gg for updated status.

2 Get to St Peter Port

[Sark Shipping](#) at White Rock is 20 to 30 minutes from the airport. For a transfer that matches your flight, we use Platinum Executive Services or [Taxi2Where](#); mention Sark Soul Island Retreats when you book.

3 Collect your tickets and drop your bags

Head straight to Sark Shipping at White Rock to collect your ferry tickets, and ask for the luggage labels for where you are staying in Sark. Add your name, contact details and room number, then leave your bags in the holding area. With your luggage taken care of, you are free to explore the harbour and town until your sailing.

4 Take the ferry to Sark

It is roughly a 35 to 55 minute sailing past Herm and Jethou, run by [Isle of Sark Shipping](#). Our May retreat guests saw dolphins swim alongside the boat.

5 Arrive at Maseline Harbour

The toast rack (transportation that carries you up Harbour Hill), then a horse and carriage takes you to your accommodation. Your luggage is taken from the boat to the retreat house and will be there when you arrive.

THE CROSSING TO SARK, PAST HERM AND JETHOU

The world's first Dark Sky Island

You will see more stars here than you have ever seen in your life. The Milky Way beams from one horizon to the other, because in 2011 Sark became the world's first Dark Sky Island, with no light pollution at all. We include a visit to the observatory, so bring a torch for the walk back.

WORTH PACKING

- ✓ Walking shoes, Sark is small but not flat.
- ✓ Layers for long evenings under the stars.
- ✓ A windproof for the headlands.
- ✓ Swimwear, indoor and outdoor pools.
- ✓ A refillable water bottle.

LUGGAGE TRANSFER

Your bags are transported for you from the harbour to your accommodation. No need to pack beach towels, shampoo, conditioner, soap or a yoga mat. We provide all of these.

GETTING AROUND

With no cars, the bicycle is how people get around. Electric bikes make the hills easy. After breakfast there is often an optional ride out to a different corner of the island.

BY BICYCLE ABOVE THE BAYS, THE ISLAND WAY TO ROAM

WHEN YOU COME TO US

Arriving for your retreat

We are happy to help with travel planning before you book. From the harbour, the toast rack and then a horse and carriage carry you the last of the way, and your bags follow separately.

THE LAST OF THE WAY, BY HORSE AND CARRIAGE

A TYPICAL DAY

The day begins with yoga and movement, then a wholesome breakfast. After that the island is yours: swim in a turquoise cove, walk the clifftops in wildflower bloom, cycle the quiet paths, or join us for a guided tour. Some of Sark's finest caves and bays can be reached only from the water, and a trip with Sark Boat Trips is easy to arrange. As evening gathers we return to the mat, followed by dinner.

OUR NEXT RETREAT

12 to 17 September 2026

Five nights on the island, in a small group of no more than twelve guests.

Places are limited. Early booking rate ends 19 July.
